

On the trail of the robbers

For a trip out of town to discover the history of Sepino "On the Trails of the Brigantes" along the paths that lead toward the mountain where the brigands of the time found shelter the brigands of the time. During the visit we will tell the legends and anecdotes of time meeting storytellers and characters in disguise.

Since Sepino after the unification of Italy is strongly interested in the phenomenon of brigandage

In just a few steps you will jump into history and chronicle of the time, and you will do it also with good food of course!

SAEPINUM
SEPINO

Food, Tradition and Innovation inside the brand new Gustus Restaurant in the central square of Sepino. The Restaurant aims to amaze all palates and is recognized, in the Catering field, by the choice of dishes offered and Line of Gastronomic innovation proposed. Located in the center of the square of an Ancient Village like that of Sepino, this place is perfect as a place of passage but, also, to Stay a few more days, taking advantage of the quietness of Altília.

In the center of the village of Sepino, an oasis of peace and tranquility, rises Laetitia Guesthouse; the ideal accommodation for a stay dedicated to rest, rediscovery of the nature and history that represents this fantastic territory. The facility has 4 double rooms each with its own bathroom with the possibility of additional beds; there is a common room for breakfasts and for entertainment and a terrace from which to enjoy a beautiful view and be able to pause to read a good book or enjoy an aperitif.

Waterways

Starting from the discovery of the village you can discover the wealth of water in our territory. Among historic fountains, streams and waterfalls, in just a few steps you can discover places unique united by the presence of water and admire historic places in Sepino such as the bridge San Rocco, the fountains of the Piazza, the Mascherone and Canala.

The most beautiful photos taken during the walk will become photo postcards. In just a few steps you will jump from history to nature

From Saepinum To Sepino

Then we will have as our third experience proposed, From Saepinum to Sepino. A tour of the breathtaking country, which includes a visit to the Relics of St. Christine and to the New Museum of Sepino. A dip into the millennial history of this town to rediscover our origins and understand how the past is not so distant and indeed sometimes very relevant. We will start from the archaeological area of Altília to go up to the Borgo where walking through the alleys you will also discover the churches, palaces and houses of illustrious personalities that rise in the center inhabited area.

Foliage

Laetitia and Gustus also offer a hike to discover the forest and foliage Campitello of Sepino which is a plateau that reaches 1200 m in height and allows for a magical experience among beech woods and broad plateaus. With our experts you can learn about the flora and fauna of this fantastic naturalistic area and observe the beautiful color changes characteristic of autumn.

For experienced and amateur photographers a guide dedicated to capture the fascination of foliage.
